Welcome to a place where your ideas lead to something big.

Let's make a difference.

Start something big today. Apply as

**Corporate Communications Intern (6 months)**

Corporate Communication Department
Singapore

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Corporate Communication and Brand management is an integral part of the Bosch organization. Activities for the ASEAN region are developed and steered through a cross regional team which includes corporate communications and brand management in the entire Southeast Asian region.

**Your contribution to something big:**
- Actively involved in the planning, promotion, and execution of corporate events
- Work with key media outlets for press coverage
- Manage VIP visits and special tours
- Content development and creation for internal and external communications as well as brand management
- Support updates on the Bosch website and intranet
- Support the department for internal and external communication efforts
- Ad hoc duties as assigned

**What distinguishes you**
- Enrolled in Mass Communications, Marketing or other Humanities-related courses
- Personal initiative and creativity with independent and responsible work style
- Good communication and interpersonal skill, ability to work across cultures and nationalities
- Good command of English (written and verbal)
- Working knowledge of MS Office applications (Word, Excel, PowerPoint, Outlook)

**Your future job location offers you**
Inspiring work environment, dynamic team, freedom and flexibility to handle your role in a way that’s right for you.

Make it happen.
Interested applicants are invited to submit your CV and cover letter to Marta.Stanke@sg.bosch.com
